

# Armco Post Safety Top Cap

Low-Cost Push-Fit Post Cap for Armco Barrier

## Features & Benefits

- Push-fit I Beam post caps – a low-cost way to improve safety
- Provides a contrast to the dull galvanised finish of Armco barrier posts
- Mitigates / removes the risk of personal injury and snagging of clothing on steel Armco posts
- Simple push-fit installation – a really impressive safety upgrade across your facility
- Particularly relevant where barriers create pedestrian walkways

## Technical Specification

UK Manufacture

- Polymer dipped in colour-fast Yellow
- Alternative contrast colour - BLACK
- Suitable for I Beam post size 127 x 76 x 13kg UB
- Overall dimensions 131mm x 82mm x 40mm deep
- Colour matched to our full range of import protection & safety products

### Part No.s

- APC-Y Armco Safety Post Cap – Yellow
- APC-B Armco Safety Post Cap – Black

*“Add a touch of class and high visibility / contrast at the same time mitigating risk of personal injury on steel corners of barrier posts”*
