

# PolyWRAP SpaceSaver Column Protector

For highly visible safety & cushion from  
HGV / MHE impacts

## Features & Benefits

- Designed specifically for mezzanine columns whereby space is at a premium
- Attractively and robustly designed to protect structural columns and vehicles from damage
- The (air cushion) impact energy absorbing design, also reduces risk of operator injury.
- A 'snug and robust fit', secured by 850kg rated ratchet action webbing straps
- Tough Polyethylene mouldings will stand up to all weathers

## Technical Specification
