

SoftWRAP Column Protection

Eliminate the risk of personnel injury in your industrial facility with the fitment of SoftWRAP column Protection

Features & Benefits

- Used in busy logistics and manufacturing facilities where there is high risk of personnel injury
- Typically used to WRAP-around structural and mezzanine columns where they are positioned adjacent to high traffic pedestrian walkways/routes
- Ideal for protecting columns that form part of an operative production/assembly work area
- Can be custom made to fit any size column
- High visual and 'soft' when clashed by legs, hips & arms of pedestrians (visitors, staff & operatives)

Technical Specification

- Manufactured in the UK from 'High Tear Resistant' HGV Trailer Polymer Canvas
- Water and Weather Proof
- Internal foam grades to suit specific applications
- High quality industrial stitching
- Hi Visibility Yellow as standard
- Alternative colours available on request
- Easy WRAP-around fitment - 50mm Velcro Seam

Part Nos.

- SoftWRAP Column Protectors are manufactured to site specific needs – call our Product Sales Team for quotation & or survey.
