

PolyWRAP SpaceSaver Column Protector

Designed to make columns highly visible to MHE/PIT traffic operators. Clashes with columns and the protector will cushion the impact. The tough Polyethylene makes this the product of choice for most industrial facilities - no fixtures to the slab this is a simple clam-shell fitment. Suitable for pallet/pump trucks and powered trucks, the PolyWRAP will keep the vehicle free from damage. Specifically designed to suit mezzanine columns where space is of a premium.

Product Features

Designed specifically for mezzanine columns

Protect structural columns and vehicles from damage

The (air cushion) impact energy absorbing design, also reduces risk of operator injury

A 'snug and robust fit', secured by 850kg rated ratchet action webbing straps
