

SoftWRAP Square Column Protection

Eliminate the risk of personnel injury in your industrial facility with the fitment of SoftWRAP column protection.

A high tear resistant yellow textured vinyl canvas encasing polyethylene based medium density foam cores for easy wrap-around fitment to square columns, secured by 50mm Velcro seam. Typically installed at 1100mm or 1800mm heights.

Product Features

Ideal for protecting columns that form part of an operative production/assembly work area

Used in busy logistics and manufacturing facilities

Typically used to WRAP-around structural and mezzanine columns where they are positioned adjacent to high traffic pedestrian walkways

High visual and 'soft' when clashed
